Notes – Exceptions Applicable to ALL Matrices Other than High LTV Refinance, DU Refi Plus and Refi Plus

105% CLTV Ratio/Community Seconds®: The CLTV ratio may exceed the limits stated in the matrices up to 105% only if the mortgage is part of a Community Seconds transaction. Manufactured housing that is not MH Advantage that have Community Seconds are limited to the LTV, CLTV, and HCLTV ratios stated in the matrices.

The following are not permitted with Community Seconds: second homes, investment properties, cash-out refinances, ARMs with initial adjustment periods less than 5 years, and co-op share loans.

Cash-out refinances: If the property was purchased within the prior six months, the borrower is ineligible for a cash-out transaction unless the loan meets the delayed financing exception in the *Selling Guide*. Minimum reserves apply to DU loan casefiles with DTI ratios exceeding 45%. See B2-1.2-03, Cash-Out Refinance Transactions.

Condos: Lower LTV, CLTV, and HCLTV ratios may be required for certain mortgage loans depending on the type of project review the lender performs for properties in condo projects. See B4-2.1-01, General Information on Project Standards, B4-2.2-01, Limited Review Process, and B4-2.2-04, Geographic-Specific Condo Project Considerations.

Construction-to-permanent: These transactions are subject to the applicable eligibility requirements based on the loan purpose. Single-closing transactions are processed as purchases or limited cash-out refinances, and two-closing transactions are processed as limited cash-out or cash-out refinances. Exceptions: mortgage loans secured by manufactured housing or units in a condo or co-op project are not eligible for construction-to-permanent financing. If the transaction is a single-closing construction-to-permanent loan, and the age of the credit or appraisal documents exceed standard guidelines, there are exceptions to the eligibility requirements. See B5-3.1-02, Conversion of Construction-to-Permanent Financing: Single-Closing Transactions.

Co-op properties: The following are not permitted with co-op share loans - subordinate financing, investment properties, and cash-out refinances on second home properties.

Employment-related assets: Exceptions to the eligibility requirements apply if this type of asset is used as qualifying income. See B3-3.1-09, Other Sources of Income.

High-balance loans: High-balance loans must be underwritten with DU. All borrowers on the loan must have a credit score.

HomeStyle Energy: Any transaction may be combined with HomeStyle Energy. For manually underwritten loans, the criteria that applies to DTI ratios of 36% may apply up to 38% for HomeStyle Energy loans. (DTI ratios up to 45% are also permitted in accordance with this matrix.) See B5-3.3-01, HomeStyle Energy for Improvements on Existing Properties.

Manufactured housing: Loans secured by manufactured homes (including MH Advantage) must be underwritten with DU.

Multiple financed properties: Borrowers of second homes or investment properties with multiple financed properties are subject to additional reserves requirements. Borrowers with seven to ten financed properties are subject to a minimum credit score requirement (only permitted in DU). See B3-4.1-01, Minimum Reserves Requirements.

Notes – Exceptions Applicable to ALL Matrices Other than High LTV Refinance, DU Refi Plus and Refi Plus

Non-occupant borrowers: For manually underwritten loans, if the income of a non-occupant borrower is used for qualifying purposes, lower LTV, CLTV, and HCLTV ratios are required. See B2-2-04, Guarantors, Co-Signers, or Non-Occupant Borrowers on the Subject Transaction.

Nontraditional credit: Exceptions to the eligibility requirements apply to all transactions when one or more borrowers are relying on nontraditional credit to qualify. See B3-5.4-01, Eligibility Requirements for Loans with Nontraditional Credit.

Notes - Specific to Certain Transactions

- | | |
|-----|---|
| (1) | LTV, CLTV, and HCLTV Ratios Greater than 95%: These transactions are not permitted for high-balance loans, loans with a non-occupant borrower, or manufactured homes that are not MH Advantage. At least one borrower on the loan must have a credit score. For non-HomeReady purchase transactions, at least one borrower must be a first-time home buyer. For limited cash-out refinances, Fannie Mae must be the owner of the existing mortgage. See the <i>Selling Guide</i> for additional requirements. |
| (2) | Combination of HomeStyle Renovation, HomeReady, and Manufactured Housing: If a transaction includes a combination of HomeStyle Renovation, HomeReady, and manufactured housing, the more restrictive eligibility requirements of each of those transactions apply. DU will apply the applicable eligibility requirements, but the lender must determine eligibility for manually underwritten loans.

Examples: <ol style="list-style-type: none">1. A HomeReady mortgage that is also a HomeStyle Renovation mortgage must be a principal residence (per HomeReady). The lender must meet the HomeStyle Renovation lender approved requirements, as applicable.2. A HomeReady mortgage for a manufactured home (that is not MH Advantage) must be a one-unit property that is underwritten through DU with a maximum LTV ratio of 95% (per manufactured housing), and a purchase or limited cash-out refinance of a principal residence (per HomeReady). |
| (3) | DU Refi Plus and Refi Plus: Loans are subject to a unique limited cash-out refinance definition, and other unique subordinate lien requirements. Exceptions to the LTV ratio limits apply to Texas Section 50(a)(6) mortgages. There is no maximum CLTV or HCLTV ratio limit for any DU Refi Plus or Refi Plus mortgage loan. A minimum credit score and maximum DTI ratio apply to higher-priced mortgage loans. See B5-5.2-01, DU Refi Plus and Refi Plus Eligibility, and B5-5.2-02, DU Refi Plus and Refi Plus Underwriting Considerations. |
| (4) | High LTV Refinance: Loans are subject to a unique limited cash-out refinance definition, and other unique requirements. There is no maximum CLTV or HCLTV ratio limit. See Chapter B5-7, High Loan-to-Value Refinance Option for additional eligibility requirements. |
