

As of 1/3/19

Minimum Credit Score Limitations				Refinance																																																						
Product/Term		Minimum FICO		<p>No Cash Out Refinance: Maximum loan amount is the lesser of the LTV in the Maximum LTV table or the existing debt calculation as described below: To calculate existing debt, add together the amount of the applicable items listed below, any refund of UFMIP must then be subtracted from the total:</p> <ul style="list-style-type: none"> Existing 1st lien, any purchase money 2nd lien, any junior liens over 12 mos. old, borrower paid closing costs, prepaid expenses, borrower paid repairs required by the appraisal, discount points HELOC: No more than \$1k in draws can be taken in the last 12 months or else UPB/Payoff will be limited. Other fees acceptable by the appropriate Homeownership Center (HOC) The amount of the existing first mortgage may include up to 30 days interest maximum, but may not include delinquent interest. Prepaid expenses may include the per diem interest, hazard insurance, mortgage insurance, and any real estate tax deposits needed to establish the escrow account. No more than 60 days delinquent taxes can be included in the setup of escrows. <p>If the property was acquired less than one year before the loan application and is not already FHA-insured, the original sales price of the property (rather than appraised value) must be used in determining the maximum mortgage. Expenditures for repairs and rehabilitation incurred after the purchase of the property may be added to the original sales price when calculating the mortgage amount.</p> <p>Subordinate financing may remain in place (max cltv and combined loan limits apply) if the homeowner qualifies with scheduled payments on all liens. NOTE: \$500 cash back is allowed for minor adjustments in estimated versus final closing costs.</p> <p>Cash Out Refinance:</p> <p>Subordinate Liens and Combined Loan-to-Value (CLTV):</p> <ul style="list-style-type: none"> New Subordinate Financing: If new subordinate financing is being offered by the mortgagee or other permitted entity, the CLTV is limited to 85 percent (the FHA-insured first mortgage and any new junior liens when added together). Re-Subordinate: Subordinate financing may remain in place (max cltv and combined loan limits apply) if the homeowner qualifies with scheduled payments on all liens. Modified Subordinate Lien: FHA understands that many subordinate lien holders have been requesting modifications to the terms of the lien (typically a reduction in the amount of the lien) in exchange for remaining in a subordinate position. Modifying the subordinate lien in this manner often results in re-executing it at closing, which is an acceptable practice to FHA and therefore, FHA does not consider it a new subordinate lien. N/O/O not allowed for qualifying At least one borrower on the new loan must currently hold title prior to case # assignment. O/O 12 months prior to case # assignment date. 210 days required from settlement date of last loan to date of FHA case # assignment of new loan. At least 6 payments must have been made on the current FHA insured mortgage being refinanced and must be 6 months seasoned (no prepayment of mortgage payments is allowed) <p>Streamline Refinance:</p> <ul style="list-style-type: none"> No income verification or requalification is required all streamlines non credit qualifying Asset verification and source of funds is required for any funds needed to close exceeding 1 month NEW PITI payment. 12 month transaction payment history printout from the existing servicer (waived if fico is > 680) No appraisal required Mortgages with 12 months or more payment history – 1x30 in the last 12 months (however must be 0x30 last 6 months) Mortgages with less than 12 months payment history – all payments must have been made within the month due 210 days required from settlement date of last loan to date of FHA case # assignment of new loan. At least 6 payments must have been made on the current FHA insured mortgage being refinanced and must be 6 months seasoned (no prepayment of mortgage payments is allowed) Max CLTV 97.75% Net tangible benefit must be met All borrowers on existing mortgage must remain on new mortgage All other FHA guidelines apply
